NEW YORK, NY / ACCESSWIRE / Month day, 2024 / The Financial Policy Council is pleased to announce its upcoming Power Summit, titled "Maverick Medicine: Reclaiming Health and Wealth from a Failing System," on Thursday, October 17, 2024. This exclusive event will take place from 6:00 PM to 8:30 PM at the prestigious Penn Club of New York City.

Moderated by Ziad K. Abdelnour, Chairman and Founder of the Financial Policy Council, this high-stakes summit delves into the transformative opportunities that are reshaping healthcare today. With over a century of collective experience, our panel of experts is prepared to reveal how those determined to break free from a deeply corrupt and conflicted system can succeed.

The Financial Policy Council is committed to guiding policy makers toward meaningful change. We believe that bold corporate leaders and visionary entrepreneurs will pioneer a future where healthcare serves the public good—accessible, efficient, and sustainable. It is clear that the current system is no longer viable. Radical, innovative solutions are now imperative. True progress never comes from top-down mandates but from the ingenuity and leadership of those most affected. This summit is where the future begins.

Panelists include Omar Hamada MD, CEO of Tri-Apogee; Gregory Laurence MD, medical director of sYlf Regenerative Therapies; Martin Johns MD owner of EraDOCate and Eco Knight Group LLC; and Joe DelCastillo MD owner of Island Flux Brothers LLC. Attendees will gain invaluable insights into how the executive can better guide his/her personal health and company benefit plan.

- Executive Leadership for Health Transformation: How forward-thinking leaders can revolutionize company health plans to deliver exceptional care at a fraction of the cost.
- Real-World Success Stories: Explore groundbreaking case studies showing how cutting-edge technology and physician-led care can retain top talent by ensuring their well-being and productivity.
- Driving Policy Change: Discover how global health solutions and untapped entrepreneurial opportunities can reshape the industry and unlock profits from often-ignored, simple solutions including recommending dramatic changes in sanitation and disinfection paradigms.
- A New Health Paradigm: The era of disease management is ending. Learn how the focus on longevity and vitality is redefining the future of healthcare—helping people live longer, healthier, and more fulfilling lives.

This event is sponsored by Tri-Apogee, sYlf Regenerative Therapies, EraDOCate LLC and EcoKnightGroup LLC and Island Flux Brothers LLC

This event is a must-attend for the business owner who recognizes the need for new solutions for company benefit plans, and for professionals looking to optimize their own health and longevity. Attendees will have the opportunity to network with industry leaders and peers while enjoying an open bar and hors d'oeuvres.
